**Back-to-School Tips: Set Yourself Up for Success** with Maria Corte

Back to school is right around the corner! Check out this webinar to learn about tips for a successful back-to-school season, including procedures and roll call, setting up and training students with pedometers, class culture, lesson designs, and icebreaker activities.

**About the Presenter:**

Maria Corte attended Arizona State University where she received a Physical Education Bachelors Degree. She received her Master's Degree from the University of Phoenix in Education Administration. Maria has been teaching at Mesa High School since 1994 and Arizona State University-Polytechnic Campus since 2005 in the physical education departments. While teaching at Mesa High, Maria has developed and created a cutting-edge fitness program and the Mesa High Elite Fitness Club, which serves as a model for schools around the country. In addition to her teaching, she has coached varsity volleyball, track, cheerleading and is one of the strength and conditioning coaches at her high school. Maria has made numerous state and national presentations. She speaks on a number of topics including innovative fitness routines, management and discipline, and skill instruction. Maria was named the 2004 Arizona High School Physical Education Teacher of the Year and in 2005 she received the NASPE Southwest District High School Teacher of the Year Award.
