

**Presenter Name:** Ben Landers

**Webinar Date:** Wednesday, April 19, 2017

**Webinar Time:** 4:00 p.m. EDT

***Tips, Tricks and Strategies for Large Class Sizes in PE***

In this online session, participants will hear ideas, tips and strategies for making Phys. Ed. work with large class sizes. We hope to provide some practical examples and activities that participants can implement in their programs immediately. We will also have links to further resources if attendees want to dive a little deeper on their own.
